

Carltons Wind Turbine Community Fund Existing Grant Report (August 2020)

St Edith's Hedge Planting November / December 2019

Completed in partnership with Lincolnshire County Council, who supported our parish with an environmental grant.

Thacker Bank Saplings

We had a another successful delivery of saplings from the Woodland Trust. Planting took place in spring 2020.

World Challenge Ecuador 2020

The event has been cancelled, due to COVID-19, and refunds are pending from the applicant direct into our fund account.

Survey of Cedar Trees in St Edith's Churchyard

The survey was completed and the Parish Council are happy with the state of the trees as verified by a site visit from the District Council Tree officer.

Village Green Tree Maintenance Part 1 of 2

There were some delays due to very wet weather in January and February along with the COVID-19 lockdown however, the trees have now been attended to in one stage, so there is no need for a part 2 grant application.

Carltons Footpath Spraying for 2020

The first stage has been completed to coincide with the spring growth. The second is planned for the autumn growth period.

Carltons Footpath Mowing for 2020
